# Highlights

## 3-in-1 sterilizer

Due to its adjustable size, this 3-in-1 Philips AVENT sterilizer perfectly fits the items you would like to sterilize and always takes up the least amount of kitchen space. The 3-in-1 functionality gives you: 1) Small size configuration for sterilizing soothers 2) Medium size configuration for sterilizing breast pumps, toddler plates, knives, and forks 3) Large size configuration for sterilizing 6 baby bottles

## Fits all bottle types

The sterilizer has been designed to fit both wide neck and narrow neck bottles as well as different breast pumps and accessories. This gives you the freedom to choose the bottles and accessories

that best suit you and your baby. At full capacity the sterilizer holds six 11oz / 330ml Philips AVENT bottles

## 6 minute cycle & auto shut-off

Your bottles and accessories will be sterilized in just 6 minutes. Once sterilization is complete the device will shut off automatically, ensuring extra safety and less energy consumption.

## Kills 99.9% of harmful germs

Sterilizing protects your baby from particularly harmful bacteria until his immune system is strong enough. Operating at a higher

temperature than dishwashers, Philips AVENT Sterilizers kill 99.9% of harmful germs and contents stay sterile for 24 hours if the lid is unopened.

## BPA Free

This sterilizer is made from BPA Free materials

## Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas – Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.
